We will be joined by members of the Order of Malta, who have helped fund this new endeavor. All are welcome.

PARISH REMEMBRANCE *Throughout the year, because we are the Cathedral Church, we remember in prayer at Mass and Vespers each of the parishes and missions of the Archdiocese of Seattle on a Sunday near their feast day. This week we remember in prayer the parishes of Christ our Hope in Seattle, St. Rita in Tacoma, St. Madeleine Sophie in Bellevue, and Visitation in Tacoma.*

SHARE SAFE HAVEN SHELTER We are pleased to welcome back our friends from the SHARE Safe Haven Shelter, who will once again be staying in Cathedral Hall each night this summer. Safe Haven is a self-governing group of approximately 25 homeless men and women whom we have had the privilege of hosting during previous summers when our Winter Shelter program is not in operation, and we are happy to have them with us again this year. Homelessness does not take a "summer vacation" and neither should our care and concern for our homeless brothers and sisters. Please hold the members of the Safe Haven Shelter in your prayers this summer.

ST. JAMES IS A PLACE FOR CHILDREN We encourage all of our parishioners who attend Mass with young children, and we welcome them into our midst. Many families find that sitting in the front rows, where the view is unobstructed, allows children to participate more fully. Others are more comfortable sitting at the ends of the aisles, so that they can easily step into the west vestibule or the Cathedral Chapel, if their child needs a quiet place away from the assembly. We have provided a sound system in these areas so you can continue to participate in Mass. We appreciate your effort to be with us and to include your child in our worship. For those who wish, babysitting is available in the Mother Cabrini Room at the Pastoral Outreach Center during the 10:00 am and 12 Noon Masses.

St. James Cathedral *Mental Health Ministry*

St. James Cathedral has a new ministry! The Parish Mental Health Ministry is an exciting new program, believed to be the first of its kind in the United States. Its purpose is to provide preventative and palliative mental health care to parishioners of St. James Cathedral, and as resources are available, the residents of Seattle's First Hill neighborhood, particularly the elderly and economically challenged. This ministry is made possible from new sources of funds including grants from outside the parish.

We have hired Beth Rose, RN to be Parish Mental Health Nurse and to direct the program. Beth holds both Bachelor's and Master's degrees in Nursing and is completing a Master's in Theology at Marylhurst University.

Beth will make home visits to persons who either have requested services or who have been referred by designated St. James Cathedral staff. The intent of the program is for the nurse to provide effective intervention in the parish community at the earliest possible

stage of mental illness, offer supportive care, and recommend appropriate actions and referrals as needed.

She will also provide training and supervision of lay volunteers to share in this work. In addition to accompanying the nurse on house calls, some of the shared work will include making follow up telephone wellness checks to clients.

The ministry will include a regular program of education in the parish to assist the parish as a whole in its capacity to provide a solid spiritual foundation for mental and emotional well being. *A special blessing of this new ministry will take place Monday, May 16 at the 5:30pm Mass.*

We are actively recruiting for volunteers to be part of this journey. For information call Beth Rose, Parish Mental Health Nurse, 206-382-4269. Sunday, May 29 is information day! Be sure to stop by our information table at coffee hour.

May 15 is the Feast Day of St. Dymphna - patron saint of people living with mental illness. May is Mental Health Awareness Month. Since all people are created in the image of God, their dignity and worth cannot be diminished by any condition, including mental illness. We pray that the darkness of stigma, labels, exclusion and marginalization might be dispelled by the light of greater understanding, acceptance and respect for the dignity of every person.
