# ST. JAMES CATHEDRAL

Easter Sunday, 2008

Dear Friends,

It is a joy to be able to welcome you to St. James Cathedral on this Easter of 2008. I do so in the name of our Archbishop, Alexander J. Brunett, as well as in my own.

Of all the times we gather as Christian believers, none is more important than this one. Easter is the greatest of all our feasts. It celebrates the Mystery that is the very foundation of our Christian faith, for, as St. Paul wrote, "*If Christ has not risen, our faith is in vain.*" (1 Cor. 15: 14)

But Christ *has* risen and your presence here in the Cathedral both affirms and celebrates that most startling and enduring of all realities. While we do not see him, we know he lives and that he is in our midst breathing life and hope into us, walking alongside us on our pilgrimage of faith, our journey toward the Kingdom.

I have no way of knowing what is in your heart as you come here on this Easter Sunday of 2008. For some, I am sure, there is joy and a keen sense of hope for the future as Spring with all its promise bursts forth all around us; for others there may be the pain of illness or the grief that comes from the death of someone close. For all of us there is the painful paradox of living in a world that is incredibly beautiful yet hopelessly violent at the same time. Death and life are never far apart in our world, it seems. But that is not the whole story. Easter proclaims for all to hear the one thing that really matters, the one thing we need to know above all else: that death does not have the last word. Life does!

My prayer today is that you will be renewed in faith and hope as you join in worship here at St. James Cathedral.

If you are a visitor, please know that you are warmly welcomed here. I hope you will find something today that will touch your heart, awaken your spirit, and make you want to return to this holy place again and again. If you are part of the regular family of St. James, I take this opportunity to thank you for all the ways you make the Risen Lord Jesus present in this parish and in this city: through your prayer, your faith, and your love that overflows in such generous and unselfish service, especially to the poor.

May the blessings of the Risen Lord Jesus be yours in abundance.

## About St. James Cathedral

**St. James Cathedral** is the Cathedral for the Catholic Archdiocese of Seattle and the parish church for a large and vital community. Noted for its beautiful liturgies and its extensive outreach to the poor, the Cathedral also serves the city of Seattle as an important gathering place, a crossroads for learning, and a center for the arts.

**Dedicated in 1907**, the Cathedral is an impressive Italian Renaissance-style building whose twin towers soar to a height of 167 feet. St. Frances Xavier Cabrini, the first American citizen to be canonized, worshiped in the Cathedral during its early years. More recently, in 1994, a nationally acclaimed restoration and renovation completely renewed the beauty of this beloved Seattle landmark, transforming it into a dynamic space for the celebration of the Church's liturgy as well as for ecumenical, cultural, and civic events.

**Artistic highlights** of St. James include magnificent Ceremonial Bronze Doors at the west entrance by German artist Ulrich Henn (1999). Henn also created the stunning tabernacle for the reservation of the Blessed Sacrament (2003). Mr. Henn's only other works in this country are the bronze gates of the Washington National Cathedral in the nation's capital. St. James Cathedral also has a large and important collection of stained glass by American artist Charles Connick (1916-1917) and three splendid windows by German stained glass artist Hans Gottfried von Stockhausen (1994), who has served on the faculty of the renowned Pilchuck School. The Cathedral's Mary Shrine, designed by Susan Jones (1994), has received national and international architectural awards, and the Cathedral Chapel is home to a remarkable fifteenth-century Italian Renaissance painting by Neri di Bicci (1456).
