

PLACE OF LIGHT, PLACE OF WELCOME

A NEW CAPITAL CAMPAIGN FOR ST. JAMES CATHEDRAL

...AND A NEW REASON TO GIVE!

You may be aware of an exciting new capital campaign that is underway here at the Cathedral. The *Place of Light, Place of Welcome* campaign is all about making the Cathedral the beacon it once was (when it dominated the city's First Hill!) and it's also about making it an even more welcoming place than it already is.

We are working with a gifted local lighting designer to create dramatic, innovative, and energy-efficient exterior lighting that will let the Cathedral shine and make it as beautiful and welcoming by night as it is by day. It will also considerably enhance its safety by night. The new lighting is quiet evangelization: an invitation to the city to come explore the beauty of our historic and beloved Cathedral. In addition to exterior lighting, we will also take the necessary – and costly -- steps to upgrade the Cathedral's now-obsolete interior lighting, as well as to provide updated accessibility to the Cathedral, the Chapel, and the Rectory building for persons of limited mobility.

Right now, there's an added reason to give!

The current exterior lighting of the Cathedral leaves much to be desired

A generous parishioner recently offered a \$20,000 challenge grant. Each gift that comes in, up to \$20,000, will be matched dollar for dollar. Would you consider making a gift—large or small—to the campaign at this time? So far, we've received \$12,551 in response to the challenge grant! Just \$7,449 to go!

You can read more about the campaign at www.stjames-cathedral.org. *Information*, Maria Laughlin, 206-382-4284 or mlaughter@stjames-cathedral.org.

Cathedral Blood Drive

Sunday, March 15, 2015
O'Dea High School Gym

8:30am to 2:30pm (*closed 10:30am-11:30am*)

The Perfect Lenten Gift

What could be a more personal, caring and meaningful gift than the gift of blood to someone in our community who has the need? Donating blood invites us to consider a different aspect of stewardship: the gift of ourselves in a way that is fundamental and essential to life itself.

Who needs blood?

It is very likely that someone you know at St. James has had a need for blood. People who need blood transfusions include those who have been in accidents or require surgery or chemotherapy. Often transfusions enable those receiving chemotherapy to continue with treatment. To meet the needs in our community, over 900 people must donate blood through the Puget Sound Blood Center every weekday.

St. James & Bloodworks Northwest

St. James has been sponsoring Lenten and Fall blood drives since 2006. Bloodworks Northwest (formerly the Puget Sound Blood Center) is always enthusiastic about our partnership in this effort, but most especially about the number of *new donors* at our blood drives. **We invite those who have not yet donated to consider donating for the first time. We ask those who have generously donated in the past to please do so again!**

Sign up at coffee hours on 3/1 or 3/8.

Or e-mail crobl@comcast.net to sign up or to find out more.
