construction update #2

PROJECT UPDATE

In the past month, work has begun in earnest on the exterior lighting of the Cathedral. During the week, workers can be seen laboring away at a height of over 160 feet!

This week workers have been installing electrical and computer control cabling to the top levels of the north tower. They have also been installing the steel beams on all four faces of the tower onto which the new light fixtures will be attached. These fixtures are on several levels and will provide illumination to the very top of the tower. When this work is completed, the crew will install similar fixtures on the South Tower.

The fences which have gone up around the Cathedral are there to keep passersby safe as workers install lighting fixtures on the Cathedral's towers. By law, we must clear a 60-foot radius when work is taking place above. For this reason, the west doors of the Cathedral are closed to the public while work is going on. This will avoid injury to anyone who might be below in the unlikely event that an item fall to the ground. For the same reason, we have enclosed *Sedes Sapientiae*, the beautiful statue of the Virgin and Child in the courtyard, in plywood for the duration of the project.

The project is on track to be virtually complete by the end of November, with the inauguration of the lighting to take place at the

Workers from Nelson Electric aloft on the top of the North Tower, prepping for the installation of lighting fixtures. Safety is a major priority for this project!

beginning of the Year of Mercy, Tuesday, December 8.

IMPORTANT NOTICE

During the week, for your safety, while work is going on in the towers, there will be no access to the west plaza of the Cathedral or to the Archbishop Murphy Courtyard. Access to the Bookstore will be via the Music Office door. We will reopen these entrances on the weekends.

FUNDRAISING UPDATE

As Father Ryan mentioned in his letter in the bulletin on August 16, costs on this project are higher than anticipated. Your response to this appeal has been extraordinary, with more than \$100,000 donated in the past four weeks. We are still hoping to raise an additional \$65,013 to cover the entire cost of this project. Please consider giving if you haven't done so already! You may make a one-time gift or spread out your gift over as much as three years. Gifts of any size are welcome. If you are able to make a donation to this exciting new project, please visit www.stjames-cathedral.org or contact Maria Laughlin, 206-382-4284 or mlaughterlin@stjames-cathedral.org.

Laudato Si

Exploring the Encyclical

Laudato Si: On Care for our Common Home, is an appeal from Pope Francis addressed to “every person living on this planet” for an inclusive dialogue about how we are shaping the future of our planet. Pope Francis calls the Church and the world to acknowledge the urgency of our environmental challenges and to join him in embarking on a new path. This encyclical is written with both hope and resolve, looking to our common future with candor and humility.

St. James Cathedral offers an opportunity to learn what the encyclical says, to engage with its vision, and to respond to the challenge it presents:

A Unique Gift

What could be a more personal, caring and meaningful gift than the gift of blood to someone in our community who has the need? Donating blood invites us to consider a different aspect of stewardship: the gift of ourselves in a way that is fundamental and essential to life itself.

Who needs blood?

It is very likely that someone you know at St. James has had a need for blood. People who need blood transfusions include those who have been in accidents or require surgery or chemotherapy. Often transfusions enable those receiving chemotherapy to continue with treatment. To meet the needs in our community, over 900 people must donate blood through Bloodworks NW every weekday.

St. James & Bloodworks NW

St. James has been sponsoring Lenten and Fall blood drives since 2006. Bloodworks NW (formerly Puget Sound Blood Center) is always enthusiastic about our partnership in this effort, but most especially about the number of *new donors* at our blood drives. **We ask those who have not yet donated to consider donating for the first time. We ask those who have generously donated in the past to please do so again!**

Sign up at coffee hours on 9/27 or 10/4.

A New Grief Support Group

Thursdays, beginning October 15
7:00pm, 4th floor Conference Room, Cathedral Place Hall

Are you grieving the death of someone close to you?
Grief and loss can have a significant impact on our lives
long after the death of the person we love.

The grieving process has no timeline and is unique to each individual,
but meeting with others who are going through a similar experience
can provide support and help us cope.

You are invited to join a new 8-week grief support group
facilitated by St. James Cathedral Staff
Nancy Granger, Suzanne Lee, & Rosanne Michaels

*Information and registration, Rosanne Michaels, 206-654-4658,
